Date of Meeting: February 11, 2003

Date Submitted: February 6, 2003

To: Honorable Chairman and Members of the Board

From: Parwez Alam, County Administrator
Vincent Long, Assistant County Administrator

Subject: Ratification of Actions taken at the Emergency Medical Services Workshop held January 28, 2003 and Authorization to Contract for a Medical Director, Apply for Medicaid and Medicare Provider Status; Requests for Proposals for Billing/Collections and Air Ambulance Services

Statement of Issue:

This item seeks ratification of Board actions taken at the January 28, 2003 Emergency Medical Services Workshop and requests Board authority to proceed with the hiring of a Medical Director and application for Medicaid and Medicare provider status.

Background:

On November 26, 2002, the Board expanded the membership of the Emergency Medical Services Advisory Council (EMSAC) and directed the Council, when considering the provision of Emergency Medical Services, to explore the following: 1) a hospital model, Tallahassee Fire Department providing services, a County EMS Department; 2) program funding expense; 3) recommend a funding source for the service; and 4) ensure that the current EMS employees will have first preference in hiring for whatever model or organization provides Emergency Medical Services. Further, the Board directed that an EMS Workshop be scheduled within sixty (60) days to receive EMSAC recommendations.

Analysis:

The EMS Advisory Council presented its findings and recommendations and after a lengthy discussion, in which all EMSAC members were provided an opportunity to be heard, the Board adopted the following:

- 1) That a County EMS Division be developed to contract with the Tallahassee Fire Department for the provision EMS dispatch and Advanced Life Support and Transport services to the citizens of Leon County.
- 2) Advanced Life Support services continued at the current level of service, with ALS First Responder service at the five fire stations in the unincorporated area of the County, to include Fire Station #15 on Bannerman Road;
- 3) Consideration of the addition of one ambulance, fully staffed (24/7/365) to be situated as directed by call demand and peak load demand;

Certificate of Public Convenience and Necessity

Regardless of the ultimate choice of the provider of EMS, it is necessary that Leon County Board of County Commissioners secure a Certificate of Public Convenience and Necessity (CON) for the operation of Emergency Medical and Transport services. A requirement of the CON is for the recipient to have a Medical Director under contract. This item seeks Board authorization to proceed with contracting with a Medical Director for EMS.

Medicare and Medicaid Provider Applications

Regardless of the ultimate choice of the provider of EMS, for Leon County to bill for EMS services, it is necessary that Medicare and Medicaid provider applications be completed and filed. This item seeks Board authorization to apply to Medicaid and Medicare for provider status.

Billing/Collection

Regardless of the ultimate choice of the provider of EMS, for Leon County to bill and collect for EMS services, it is necessary that a qualified, experienced EMS Billing and Collection provider be contracted. This item seek Board authorization to issue a Request For Proposals (RFP) for EMS billing and collections services.
